## CoC General Meeting Minutes

September 11, 2024

Grace Presbyterian Church

Michael Thomas opened the meeting by asking for approval of the Minutes from 8/14/24 (online) with Motion being made by Dewey Powell and Tracy Simmons. Michael Thomas also asked for approval of the request to move the December meeting to December 18, 2024, with Motion being made by Vivian Muhamed and Anthony Cornet.

Paige Keiffer discussed Point in Time Pit Count. She explained how Point in Time Pit Count is used and when. Paige Keiffer also requested involvement from everyone in the approach to getting the numbers.

Tracy Peters then spoke about the NOFO is out and how funds are due October 30<sup>th</sup> externally and September 30<sup>th</sup> internally. No permanent housing has been established but greatly needed. Everyone was asked if they are getting the Constant Contact messages, and if not, to look into it to make sure they do.

Sharon Trainor, from Healthy Start, was the main speaker at the meeting. She talked about Healthy Start's foundation and goals. There are 32 individual community coalitions, and their main mission is to help pregnant women and male parents who have a 3-year-old or less to become more educated in raising a baby. They are trying to lower infant mortality rates and birthweights while educating parents in better sleep environments for infants. They are helping fathers become better educated as well since 1 out of 4 fathers are not in the raising of the child or children. They have programs like Fatherhood T E A M that help fathers to teach, empower, advocate, and mentor others and themselves. They have contact programs that help with placing pregnant women and fathers with the right services for their individual situation. Healthy Start is also trying to do more with mental health in their programs.

Lunch was JR's Rib Shack.

Announcements and Closing was last.
