2. Collaborative Applicant Name: Homeless & Hunger Coalition of Northwest Florida Inc. DBA Doorways

3. Project Name: FL-515 CoC Planning FY26

4. Component Type: CoC Planning Project Application

2B. Project Description

1. Provide a description that addresses the entire scope of the proposed project and how the Collaborative Applicant will use grant funds to comply with 24 CFR 578.7:

Doorways of Northwest Florida, as Collaborative Applicant and Lead Agency for FL-515, will use CoC Planning funds to coordinate and strengthen the housing and service system serving Bay, Calhoun, Gulf, Holmes, Jackson, and Washington Counties. Planning activities will support CoC governance, collaboration among providers and community partners, data analysis, project review, and system improvement, with attention to access throughout the CoC's rural areas.

Doorways will support the Leadership Council, CoC membership, and committees; coordinate the local review and selection of CoC project applications; prepare the annual CoC application; and organize the Point-in-Time Count and Housing Inventory Count. Staff will review system performance, project outcomes, and service gaps to help the CoC set priorities. Doorways will also work with local governments, housing and service providers, and other partners to coordinate the community's response to homelessness across the six counties.

The project will support CoC-wide policy and procedure development. Doorways staff will work with the Governance and Coordinated Entry workgroups to review the governance charter, written standards, committee and project selection procedures, monitoring processes, and Coordinated Entry policies. Doorways may supplement this work with qualified consultant assistance if additional resources become available. Proposed updates will be brought to CoC leadership and membership through the applicable review and approval process.

Doorways will use HMIS reports and other CoC-wide data to evaluate the outcomes of CoC and ESG projects, identify service gaps, and inform system planning. Doorways will also participate in Consolidated Plan processes and monitor CoC recipients and subrecipients for performance and compliance. Together, these planning activities will help FL-515 carry out its responsibilities under 24 CFR 578.7 and coordinate a housing and service system focused on preventing and ending homelessness.

2. Describe the estimated schedule for the proposed activities, the management plan, and the method for assuring effective and timely completion of all work.

Within the first 30 days of the grant term, Doorways will establish a work plan for CoC Planning activities, assign staff responsibilities, and align the schedule with HUD deadlines and the CoC's meeting calendar. The Executive Director will oversee implementation, review progress, and maintain records of activities and deliverables.

Doorways will support monthly Leadership Council and CoC membership meetings throughout the grant term. Staff will prepare agendas and materials, document decisions and follow-up items, and coordinate work with the CoC's planning committees and community partners.

During the first quarter, Doorways will identify priority policies and procedures for review and establish a schedule with the relevant CoC workgroups. Staff will develop updates in stages and present drafts through Leadership Council and CoC membership meetings for feedback and approval during the grant term.

Doorways will coordinate the Point-in-Time Count, Housing Inventory Count, project review and selection process, and CoC application according to the applicable HUD schedules. Throughout the year, staff will review HMIS and project performance information, evaluate CoC and ESG project outcomes, monitor CoC recipients and subrecipients, and use findings to inform CoC planning. The Executive Director will track completion of these activities and adjust the work plan as deadlines and CoC priorities require.

3. How will the requested funds improve or maintain the CoC's ability to evaluate the outcome of CoC and ESG projects?

The requested planning funds will give Doorways dedicated capacity to evaluate the outcomes of CoC and ESG projects across FL-515. Staff will use HMIS reports, project performance reports, and other available data to review housing placements, exits to permanent housing, returns to homelessness, length of time homeless, and data quality. Doorways will compare results across projects and over time to identify strengths, service gaps, and barriers affecting outcomes in the six-county area.

Doorways will share findings with providers and discuss questions or needed improvements directly with them. For CoC-funded projects, staff will combine outcome reviews with project monitoring and follow-up on performance concerns. For ESG-funded projects, Doorways will coordinate with the relevant recipients and providers to review available outcomes and identify opportunities to improve the broader system. Findings will be discussed with the Leadership Council and CoC membership and used to inform planning priorities, policy updates, provider coordination, and future funding decisions.

Planning funds will support the staff time needed to carry out these reviews consistently, document findings, and follow up on identified issues. This regular process will help the CoC assess whether its projects are helping people obtain and maintain permanent housing and where the system needs to improve.
